

HIPPOCAMPE®

Vipamat in a few words

Patrice Faucogney, Air Force veteran and helicopter mechanic, became paralyzed following a snowboard accident. Despite his handicap, he wished to continue his outdoor activities. He designs a wheelchair capable of accessing beaches and swimming areas with Vincent Leroy, his physical therapist. Together they created Vipamat in 2002.

Based in France, Vipamat designs, manufactures and markets a range of wheelchairs that allow people with reduced mobility to access leisure areas and discover new horizon.

Vipamat leisure sports wheelchair leader since 2002

Vipamat sells throughout the world

2017: launch of the Hippocampe Marathon

“ Our commitment

to be as close as possible to the user in order to develop innovative products of high quality.

Main leisure activities practiced

-Hike	-Kayak	-Ski
-Swim	-Surf	-Travel
-Cycling	-Diving	

► **Cust Onize** your Hippocampe based on your specific needs

OPTIONS FOR YOUR COMFORT

Adjustable headrest

Adapts to the user's body type thanks to its height and depth adjustments.

Adjustable back

Adjustable in height and incline, it adapts perfectly to the user.

Adjustable armrests

Removable and rotating, they facilitate transfer to the chair.

Waist belt

Optimizes the position of the user in the wheelchair.

Mixed harness

In elastic neoprene, comfortable and water resistant, it facilitates the support and positioning of the user.

Anti-freezing cover

Comfortable and resistant it protects the user from cold and rain.

FDA REGISTERED

VIPAMAT ensures a level of quality and performance satisfying the requirements of the FDA and ISO 13 485.

OPTIONS FOR YOUR LEISURE

Spoke cover 20" inches

They protect the hands of the user during strolls.

Protective nets

Adapt between the seat and the armrests or the footrest to protect the hands and feet of the user.

Parking brakes

Rotating and rustproof, they immobilize the wheelchair on an incline and facilitates transfers.

Transport bag

The transport bag protects your wheelchair during your car and plane travels.

Backrest bag

The backrest bag allows for the transport of your personal items during your leisure activities.

Balloon wheels

Replace the double wheels and facilitate the wheelchair's mobility on sand for adult users.

Front ski

Make your walks on snow easier, adapt to the terrain and prevent accumulation of snow on wheels.

Kit of back skis

HIPPOCAMPE®

MARATHON®
& Trail

Running for everyone

The Hippocampe Marathon and Trail is ideal for **competitive or leisure running and walks on varied terrains.**

Light spoke wheels promote acceleration on asphalt, while the handlebar design optimizes the wheelchair's thrust and makes it easier to change directions.

Developed in close collaboration with its users and runners, **it was created to be as close as possible to your expectations.**
